

**South Farm of Middlefield, OH & Chesterfield Farms Veterinary Service**  
**Proudly present a Jumping/Cross Country clinic with 4• Australian Eventer**

**Peter Atkins**

**July 6, 7 & 8, 2018**

Peter is an amazing teacher who focuses on encouraging the rider to evaluate the horse's anatomy and natural instinctual behavior to best understand how to communicate with our horses and allow them to do their job for us in the happiest, most relaxed manner for them!

Peter excels at helping riders manage training and behavioral issues with their mounts and immensely enjoys seeing a horse and rider combination show improvement through his teaching principles. He is adept at teaching all levels and ages of riders and horses. You will gain invaluable skills and knowledge to advance your training and help you achieve your goals this season! Come to hone your skills, be exposed to new thought processes, and be challenged but never feel over faced!!

Peter will be available Friday afternoon/evening for anyone interested in a private flat lesson. Saturday will focus on developing quality gaits to allow the horses to jump their best while working through grids and stadium fences with cross county questions and principles. Sunday will move to the Cross Country Course to apply the skills and principles introduced the day before to natural XC obstacles appropriate for your level. Well maintained XC fences for all levels will be available including banks, ditches, and a lovely water complex!

The clinic will be held at South Farm in Middlefield, OH. South Farm is a beautiful facility that sports friendly and helpful staff, manicured dressage and stadium jumping rings in addition to one of our areas finest Cross Country courses that accommodates levels from Starter to Preliminary. On site stabling is available for the weekend.

**Where:** South Farm 8398 Bundysburg Rd. Middlefield OH 44062

**Cost:** \$225 for 2 day clinic

Friday afternoon limited availability for private flat/dressage lessons with Peter
