

South Farm of Middlefield, OH & Chesterfield Farms Veterinary Service
Proudly present a Jumping/Cross Country clinic with 4• Australian Eventer

Peter Atkins

October 12, 13 & 14, 2018

Peter is an amazing teacher who focuses on encouraging the rider to evaluate the horse's anatomy and natural instinctual behavior to best understand how to communicate with our horses and allow them to do their job for us in the happiest, most relaxed manner for them!

Peter excels at helping riders manage training and behavioral issues with their mounts and immensely enjoys seeing a horse and rider combination show improvement through his teaching principles. He is adept at teaching all levels and ages of riders and horses. You will gain invaluable skills and knowledge to advance your training! Come to hone your skills, be exposed to new thought processes, and be challenged but never feel over faced!!

Peter will be available Friday afternoon/evening and limitedly Monday morning before he flies out for anyone interested in a private flat lesson or one last jumping lesson. Saturday and Sunday will focus on developing quality gaits to allow the horses to jump their best while working through grids and stadium fences with cross county questions and principles. Weather/footing permitting, Sunday will move to the Cross Country Course for those who wish to apply the skills and principles introduced the day before to natural XC obstacles appropriate for your level. If XC is not "your thing" you will have the option of continuing your training in the jumper ring.

- Where:** South Farm 8398 Bundysburg Rd. Middlefield OH 44062
- Cost:** \$235 for 2 day clinic ---No Auditing fee
Friday afternoon /Monday AM dressage/flat lessons @\$85per ride.
